### **DETAILED ACTION**

#### **Remarks**

1. In response the Amendment filed on September 28, 2005, claims 2, and 21 have been cancelled. Claims 22-26 are newly added. Therefore, claims 1, 3-20, and 22-26 are pending.
2. Replacement sheet of drawing "Figure 19" is hereby accepted.

### **EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a written electronic communication with Mr. Stephen B. Parker (Attorney of Record) on October 7, 2005.

4. The application has been amended as follows:

Claim 3 (Currently Amended): The assembly of claim ~~2~~ 1, wherein said audio is contained within an MP3 compression format.

#### ***Reasons for Allowance***

5. Claims 1, 3-20, and 22-26 are allowed over the prior art made of record.

6. The following is a statement of reasons for allowance:

The prior art of record (Yuen et al. -U.S. Patent Publication No. 2002/0054073 ('Yuen') -and- Chrabaszcz et al. -U.S. Patent No. 6,154,835 ('Chrabaszcz')-and- Fox et al.- U.S. Patent Publication No. 2002/0116421 ('Fox')) do not disclose, teach, or suggest the claimed limitations of (in combination with all other features in the claim), wherein said reader program is configured such that when the pre-recorded audio narration of the book is played and said corresponding page of text is concurrently displayed in said fixed non-scrolling condition, a corresponding segment of the text for which the pre-recorded audio narration is concurrently played is highlighted in such a manner that the highlighting moves downward along the corresponding fixed non-scrolling page of text as the audio narration of an actual human voice is played, as claimed in Independent claim 1.

Claims 3-20, and 22-26 are allowed over the prior art made of record, because it is dependent from the allowed independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Conclusion*

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Neveen Abel-Jalil whose telephone number is 571-272-4074. The examiner can normally be reached on 8:30AM-5:30PM EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey A. Gaffin can be reached on 571-272-4146. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
